WINES

We are proud to be partnered with Boutinot Wines who have been importing stunning wines since 1980.

They're hands-on, 'dirt under the nails' winemakers too. They have a partnership with a co-operative in Italy, two vineyards in France, a farm in South Africa, and an English garden vineyard.

Like us, they share a passion for people that makes them different and they have a total and unwavering belief that making great entry-level wines is bloody difficult, but they do it bloody well. They've been doing it for quite some time now!

We hope you enjoy the wines as much as we enjoyed selecting them...

with fewer tensions and more tolerance."*

## Henness English Sparkling Wine

When it comes to English wine, Henness' sparkling wines are a true celebration! Nestled just 4 miles from the sea in Herstmonceux, East Sussex, this seven-acre vineyard was established in 2007 by the brilliant ex-Formula One engineer, Lawrence Warr. Every bottle of Henness wine is a masterpiece of handcrafted artistry, from fermenting individual grape varieties to aging on the lees for added complexity. Each bottle is held back for a minimum of three years before release, allowing the flavors to deepen and intensify. Get ready for a journey of flavours and richness with every sip of Henness wines!

### Henness Brut | btl £40

This sparkling wine has a pleasant smell of sourdough and fresh green apples. It feels light on the tongue with lively bubbles. You'll taste flavours of green apple, pear, and toasted bread, creating a rich and satisfying taste. The wine has a nice balance of acidity and a long, classy finish. And it's vegan-friendly too!

### Henness Brut Rosé NV | btl £40

A sparkling wine made from Pinot Noir and Pinot Meunier. The pink colour comes from the grape skins during pressing. This sparkling rosé has flavours of red berries like raspberries, redcurrants, and rhubarb. It's aged for over a year on the lees giving it a creamy texture. Plus, it's vegan-friendly!

### Henness Vintage | btl £55

The Vintage is only made in outstanding years like 2016, chosen for their exceptional fruit quality. It's a blend of 70% Chardonnay and 30% Pinot Noir. The Chardonnay adds structure and liveliness, while the Pinot Noir brings body and depth to create a well-rounded taste. After spending four years aging on the lees, the wine develops biscuity, creamy, and honey aromas with balanced acidity and a touch of saltiness. And it's vegan-friendly too!
